Hemmer develops St. Elizabeth Physicians' clinic in Independence

Independence, KY (January 31, 2014) – Paul Hemmer Company has completed development of St. Elizabeth Physicians Express Care and Primary Care medical offices in Independence, KY, located at 135 Courthouse Crossing, at the intersection of McCullum Pike and Ky. 17.

The real estate development involved several of Hemmer's unique capabilities, with its team's knowledge and experience creating a seamless and fast delivery of the completed project. Hemmer developed the real estate for St. Elizabeth Physicians, selected and evaluated the site, acquired the land, managed zoning and site plan approvals, and designed and constructed the 12,400 square foot structure.

Hemmer Vice President Jack Levermann led the project development. CEO Paul W. Hemmer Jr. served as project manager and Ron Heck was superintendent. Hemmer also is now leasing the facility to St. Elizabeth Physicians and will manage the property for them.

Hemmer has developed and constructed more than 800,000 square feet of medical space and has earned an excellent reputation among physician groups.

St. Elizabeth Physicians Express Care is a neighborhood walk-in care clinic, open seven days a week, where patients can receive prompt medical attention without an appointment. St. Elizabeth Physicians is the multi-specialty physician organization of St. Elizabeth Healthcare, operating in three states with more than 300 doctors.
