Hemmer Expands with Three New Hires

FORT MITCHELL, KY (May 20, 2013) – Paul Hemmer Company has added three new members to its team.

Thomas J. Elliott, LEED AP, has joined Hemmer as an Assistant Project Manager. Tom has earned Bachelor of Science degrees in Construction Management and Architectural Engineering from the University of Cincinnati. He is certified by the U.S. Green Building Council as a LEED (Leadership in Energy and Environmental Design) Accredited Professional. Tom previously served internships at Paul Hemmer Company and comes to his position with other previous experience in construction, architectural engineering, LEED consulting and property management. A resident of downtown Cincinnati, he is a native of Worthington, Ohio

Kevin Markesbery has joined Hemmer as Senior Project Manager. He brings 28 years of project management experience, including more than seven previous years working for Paul Hemmer Company. Kevin currently is managing Hemmer's construction of a 770,000 s.f. industrial distribution facility for Prologis, putting 18 acres under roof in the Prologis Park 70-Etna Industrial Park in the Greater Columbus area. His previous experience includes managing construction of the 50,000 s.f. Answers in Genesis headquarters and museum, the 42,000 s.f.

Jewish Hospital Medical Office Building, a 130,000 s.f. office and distribution facility for the Internal Revenue Service and Notre Dame Academy's \$10 million expansion. Kevin earned a Bachelor of Science degree in civil engineering from University of Kentucky. A lifelong resident of Northern Kentucky, he lives in Petersburg with his wife and two teenagers.

Steve McVey has been named Superintendent at Paul Hemmer Company. He brings three decades of construction experience to his position, include two previous tenures supervising commercial and industrial construction projects for Hemmer. His list of projects as superintendent is long. Steve is responsible for total quality, scheduling, safety, and productivity control on every project he supervises. Steve attended Cincinnati Technical College and received his Journeyman

Certificate after a four-year apprenticeship with the Carpenters' Union. Steve lives in Burlington with his wife, Missy, a cat and a big Golden Retriever named Gordy.

Paul Hemmer Company is a construction management, building services and real estate development firm with a history in the Tri-state dating back to 1921, when it began operation as the John M. Hemmer Construction Company. Reorganized in 1982 as the Paul Hemmer Company, it has since developed for sale and investment more than six million square feet of industrial, commercial and retail property. Specializing in design/build industrial, commercial, and retail construction, Paul Hemmer Company also offers real estate services, including site selection, leasing, sales, and property and asset management.
