Business Courier of Cincinnati

KZF Design said Thursday it has moved its headquarters from the Baldwin Building in Walnut Hills to a renovated facility downtown.

The firm said **in November 2008 that it had purchased** the former ST Media Group building at 700 Broadway. Paul Hemmer Cos. completed the \$6 million renovation of the 38,000-square-foot building.

The Cincinnati-based architecture, engineering and design firm is returning to its roots, having opened its first office in 1957, in the Ingalls Building on Fourth Street. The ST Media building was completed in the early 1900s.
